Dear General Cram.

Just a line to thank
you for all of your kindness and help during
my recent visit to Burlington (not forgetting
the maple syrup). I really enjoyed the
few hours I had there. You were most
generous with your time and the audience
was great. Hard a fine flight back to
Washington is absolutely beautiful weather.

Again many thanks.

Please give me a ring next time you
are in Washington (703-351-6464).

With every good

Wish

Faithfully,
